IGNORANCE OR PREJUDICE?

We share the amusement which we are sure our readers will obtain from the attempt which Mr. William Pye makes to put a sting in the tail of his letter, which appears elsewhere in this issue. It is true, unfortunately, as he says, that some people write first and think afterwards, but that is a remark which applies principally to amateurs. The trained writer, although he may make mistakes, is like the experienced chess player. He not only thinks first about his subject, but in a controversial matter looks at least a move or two ahead. So we begin by assuring Mr. Pye that, so far as we are concerned, we have at any rate thought about the subject, even though we be blind. Our leading article last week carefully avoided any reflection upon the great performances of those men like Mr. Pye, who have rung double-handed peals in the higher methods, but it gave Mr. Pye the opportunity of stating explicitly wherein our previous reference to the tapping of peals was an injustice to these ringers; and he jumps at it, with the admission, in effect, that in his view such performances as those of Mr. Morris, unless belittled, may dwarf the pedestal upon which others have placed themselves.

There was a time, not so many years ago, when men who had rung London Surprise on tower bells would have said that it was impossible for four men to ring a peal of it on handbells. But the impossible happened, and it was Mr. Pye and his brothers who first brought it about, and they received the credit they richly deserved. That being the case, why should we jump to the conclusion that nothing greater can be done? All the progress in the world has been made up by someone going a step further than anyone else has gone, and no one should imagine that they have reached the limit in any branch of science. If they do, sooner or later they get a rude awakening.

But to return to the peal tapping and Mr. Pye's letter, with its inference that our comments were unjust and were made without knowledge. While not attempting to pit our experience against Mr. Pye's, we are not entirely ignorant of the practical side of ringing, either on tower or handbells; but this we do confess that the tapping which we have seen done by Mr. Harry Withers of methods which we are able to ring is utterly beyond us, and we are not ashamed to admit it, as we believe most other ringers are prepared to do. But in attempting to minimise tapped peals, is not Mr. Pye rather committing the error of which he accuses others—speaking without knowledge? Can he, for instance, put forward any plan upon which a peal can be tapped by one person which does not require a greater mental effort than the ringing of two handbells to a peal in

the same method? Without this, we venture to think, it is unfair to say that there is 'not so much in it as many people think there is,' and to suggest that it is not as great a task as ringing two handbells. We are not referring to the tapping of courses or short touches, which may be learned more or less by heart, but to peals in which it is impossible for the performer to commit the thing to memory. Let us give credit where credit is due. At the same time it may also be well to remember that it is not always blindness or ignorance that causes others to think differently to ourselves, and it is wise to beware lest prejudice distorts one's vision.

WEDDING OF A NEWPORT (MON.) RINGER.

One of the prettiest weddings that ever took place in All Saints' Church, Newport (Mon.), was solemnised on Saturday last between Mr. Frederick Whitfield and Miss Iris Irene Jayne. The bridegroom is a regular Sunday Service ringer at All Saints', and the crowded church showed that both bride and bridegroom are held in the very highest esteem in the parish. Immediately following the ceremony, the bells struck out. 'Queen's,' 'Firing,' rounds, etc., were indulged in, and then followed an attempt for a peal which proved successful, as recorded elsewhere. Useful gifts were made to the pair by the All Saints' ringers, to whom also the best wishes go forth. After the peal, the ringers were entertained at the home of the bride's parents, and a happy time spent.

BISHOP'S STORTFORD OUTING.

On Saturday, August 27th, the St. Michael's company, Bishop's Stortford, revived their annual outing. Ten members, accompanied by Messrs. Walter Prior, T. Watts, T. Jordan and G. Jordan, from Stansted, started by motor at 9 a.m., and Braughing, which was reached in quick time, was the first stopping-place. After ringing on the peal of eight, Bennington, of campanological renown, was next visited, after passing through the by-lanes of Hertfordshire, amid charming landscapes. Two of the locals, Messrs. Page and Kitchener, joined in the ringing. After dinner, at the Bell, the journey was continued, the objective this time being St. Albans. Here arrangements had been kindly made by Mr. Debenham to ring at St. Peter's (ten bells) and the Cathedral. Tea was obtained at 'Palm Court,' after ringing for Divine service at St. Peter's, and the Cathedral was then visited, the 'guide' pointing out some of the interesting features of this grand edifice. This proved to be the gem of the outing, and it was with the greatest regret that the stay had to be cut short owing to the flight of time. The methods rung were Grandsire, Stedman, Double Norwich, Superlative and Cambridge.

The return journey was enlivened by various songs and tales, and Bishop's Stortford was reached about 9.45 p.m., after one of the most enjoyable trips that could be recalled.

Mr. H. J. Tucker kindly made all arrangements, and to him the thanks of the party are due, also to Mr. Debenham and the various steeplekeepers who welcomed them.

AMONG SUFFOLK TOWERS.

On Saturday, August 20th, the ringers of St. Peter's Church, Goldhanger, Essex, held their annual outing, and visited some of the Suffolk towers. Leaving the rectory at 9 o'clock, in the Rector's car (which was kindly placed at their disposal for the outing), the first stopping-place was Nayland, where the bells were soon going to Plain Bob, Oxford, Kent and College Exercise. Proceeding next to Polstead, where the fine peal has been rehung, further touches were rung, and then the party went on to the small town of Hadleigh, where a sumptuous dinner was enjoyed by the bang at the King's Head Hotel. Afterwards the fine old tower, with its peal of eight bells (tenor 28cwt.), was visited, and here the party were met by Mr. T. Reed, and other ringers, who had everything in readiness. The afternoon was spent in ringing, and after tea the visitors went on to Higham, where there is a fine peal of bells, and where the party met with the hand of ringers from Langham. After some good touches they went on to Stratford St. Mary, the Langham band having preceded them, and got everything ready. Some further good ringing took place, and the bells were lowered in peal. Goldhanger was reached at 9.30, everyone having thoroughly enjoyed the trip, which was arranged by the conductor, Mr. J. D. Buckingham. All the towers were close together, and contained fine peals of bells.

BECCLES RINGER'S DEATH.

On Wednesday, August 31st, the remains of the late Mr. Harry Reynolds, of Beccles, were laid to rest.

The funeral was attended by the choir and ringers, four of the latter ringing a course of Grandsire Triples on handbells at the graveside.

During the evening, muffled, half-muffled and open touches were rung on the bells of St. Michael's Church.

The deceased was a regular ringer and member of the choir for upwards of 20 years, although he had never rung a peal.

LADIES' GUILD.

DISTRICT ANNUAL MEETINGS.

A meeting of the Western District of the Ladies' Guild was held, by kind permission of the Rector, at Wraxall, near Bristol, on Saturday, Sept. 24th. There was a fairly good attendance of members and friends, who were pleased to welcome a member from the Southern District, viz., Miss Fisher, of Dorking, Surrey. The Rector, the Rev. W. S. Mather, gave a most interesting and encouraging address at the service, based on the inscription on a bell in Wraxall tower dated 1705, 'Though my voice it be but small, I'll be heard amongst you all.' He showed how nothing is really insignificant, for God makes use even of trifles to help forward His great work. The message is often greater than the messenger—and a ringer learns the lesson of self-effacement. The oldest bell in the tower bears the date 1608, and has been in use ever since that time.

Following the tea, a business meeting was held, at which Miss Fisher presided. Miss Smith was re-elected hon. secretary for the ensuing year. The 'committee of four' for the district was elected as follows: Mrs. W. Edwards, Portishead; Mrs. Knight, Clapton-in-Gordano; Miss Emm, Paulton; Mrs. R. J. Wilkins, Bristol. The two representatives on the General Committee are Mrs. Edwards, Portishead, and Mrs. Harvey, Bristol.

One new honorary member was elected, Mrs. Burchell, of Thornbury, and one performing member, Mrs. Leaker, St. Thomas', Bristol.

It was decided to ask permission to hold the next quarterly meeting at St. Stephen's, Bristol, if possible, on Saturday, December 3rd.—It is also hoped that the Guild will be able to hold a meeting in the southern part of the district early next summer.

The meeting closed with an expression of thanks to the Rector and to the steeplekeeper (Mr. Winsor).

SOUTHERN DISTRICT OFFICERS.

The annual meeting of the Southern District was held at Aldershot on Saturday, Sept. 24th. Ringers were present from Aldershot, Ash, Bagshot, Farnham, Farnborough, Finchampstead, Guildford (St. Nicolas' and Holy Trinity), Liss, Portsmouth, Sandhurst, Shere and Worplesdon. The bells were raised at 3 o'clock, and kept going until 4.30, when the service was conducted by the Rev. Drury, who gave the visitors a 'welcome. Miss K. Avenell kindly acted as organist. Twenty-six sat down to tea in the Parish Hall, 14 being lady ringers.

At the business meeting, Miss C. M. Orlebar, of Liss; Miss M. Domoney, of Bagshot, and the Misses Grace and Nancy Denyer, of Aldershot, were elected as members.

Miss H. F. Mills was asked by all present to continue as secretary, and Miss Nye, Miss B. Mills, Miss Avenell and Mrs. Melville were elected on the committee.—Hawley was decided on for the next annual meeting.—A vote of thanks to the secretary for the work done during the year closed the business.

Ringing continued till 8.30, Grandsire, Stedman, Plain Bob, Oxford and Kent Treble Bob being rung. Members of the Guild were able to take part in all the methods.

CLEVELAND AND NORTH YORKSHIRE ASSOCIATION.

OFFICERS RE-ELECTED.

The postponed annual meeting was held at Ripon on Saturday, Sept. 10th, there being a fairly good and representative gathering. Tea, provided at the Black Bull Hotel, was presided over by the president (the Rev. J. L. Kyle), supported by the Very Rev. the Dean of Ripon, vice-president (Mr. W. Pick), and the hon. sec. (Mr. T. Metcalfe). At the committee meeting various items of interest to the association were discussed, and meetings arranged for the year. One is to be held at Ormesby, on Saturday, Oct. 22nd, and the Easter Monday meeting by special invitation of the president, will be at Carlton.

A resolution sent in by the Northern District of the Yorkshire Association was discussed at great length.

The business of the annual meeting came on after the tea, and was presided over by the Dean of Ripon, as the president had to leave early to reach home.

The loyal toast was submitted by the Dean, and duly honoured.

The secretary's report and balance sheet showed that the association was in a very good financial position, having a bank balance of some £35.

Votes of thanks to the Dean and Chapter for the use of the bells, also to the retiring officers, who were all re-elected, were passed.

DONCASTER & DISTRICT SOCIETY.

The October meeting was held at Barnby, Doncaster, on Saturday, September 24th. There was only a small attendance of members, but some good practice was indulged in on the fine peal of six bells. Touches in the four Standard methods were rung during the afternoon and evening. Tea was partaken of at the White Hart Hotel, and at the business meeting, which followed, votes of thanks, were accorded to the Vicar for the use of the bells, and to Mr. T. S. Gill, one of the churchwardens, for so kindly providing tea and making arrangements for the meeting. The next meeting will be held at Thorne.

The mid-week practice at St. George's has been suspended on account of the nearness of the Technical College and School of Art.

AN EXCURSION IN THE MIDLANDS.**KING'S NORTON RINGERS' LONG TOUR.**

King's Norton (Worcestershire) ringers had their annual outing on Saturday, August 27th, and were joined by a few ringing friends from Selly Oak, Northfield and Birmingham. The party, numbering 20, made a start for Chilvers Coton at 7.15 a.m. On arrival the party were met by Mr. H. Argyle, and touches of Stedman Triples, Double Norwich and Cambridge Surprise were rung. Monk's Kirby, about 11 miles away, was the next place on the programme, but owing to a 'change course' about 30 miles were covered before reaching it. However, ringers are not easily upset, and while the key of the tower was being found the gentleman in charge of the commissariat department produced a welcome supply of sandwiches and other refreshments. After an *al fresco* snack on the roadside, a move was made to the tower, and, on the grand peal of eight, Stedman Triples and Double Norwich were soon pealing out. The 'go' and music both being great, the short stay here was very much enjoyed. The bell foundry at Loughborough was the next objective, and was reached at 2.30 p.m. The party were met by Mr. Denison Taylor, Mr. Pryce Taylor and Miss Taylor, and while old friends were chatting and new ones introduced, the official caterer showed that his foresight in this department is as great as his ability as a ringer, the result being that everyone enjoyed a well-prepared lunch. After lunch, Alderman J. S. Pritchett, in a few well-chosen remarks, thanked Mr. and Miss Taylor for the kind reception, and Mr. P. Laffin for having made all the necessary arrangements. — Mr. E. J. Dowler seconded the vote of thanks, and Mr. D. Taylor, in reply, said how pleased Miss Taylor and he were to help in any little way to make the visit a success.

A move was then made to the foundry bell tower, where some excellent ringing was enjoyed. Afterwards a visit was paid to the famous peal of ten at the parish church, where touches in several methods, including a course of Cambridge Surprise Major were rung. After a very cordial send-off a move was made for St. John's, Leicester, where the party were welcomed by that genial ringer, Mr. W. Willson. Time being short, touches of Double Norwich and Stedman Triples were rung, and all too soon the visitors had to leave, after a very enjoyable time. Leaving Leicester soon after 8 p.m., the party, after many necessary consultations with the finger posts, arrived home rather late but very happy, after a splendid day's enjoyment. Through 'The Ringing World' they wish to thank all those who helped to make the outing such a success.

LLANFIFGAN BELLS.**DEDICATION OF A NONCONFORMIST'S MUNIFICENT GIFT.**

As briefly recorded last week, the new peal of bells at Llanfifgan, South Wales, have been dedicated and opened. The whole cost of these bells, as well as the restoration, pointing, and raising by several feet of the tower, approximating £4,000, has been wholly defrayed by Mr. J. Ll. Morgan, Brynderwen, Llandaff, son of the late Mr. David Morgan, a native of the parish, a staunch Nonconformist, and founder of the famous firm of drapers, David Morgan, Ltd., of The Hayes, Cardiff. A number of close relatives of the late Mr. Morgan still live in the immediate neighbourhood, including his brother, Mr. Wm. Morgan, of Llanbrynean, Llanfrynach, a well-known agriculturist. The work was executed by Messrs. John Taylor and Co., Loughborough. The bells (with the tenor weighing 12 cwt. 1 qr. 19 lbs.) are hung in a rigid iron frame, on steel girders, and the fittings are of the very latest pattern throughout, including patent ball bearings. A sound-board has also been erected at the top of the tower, and an up-to-date chiming apparatus has been installed in the ringers' room.

The four old bells have had their inscriptions reproduced on the new 4th, 5th, 6th and 7th, and the other four have inscriptions in Welsh. We gave the details of the inscriptions in our issue of July 15th.

The dedication was performed by the Bishop of Swansea, and after the special prayers the bells were rung in rounds for three minutes. At the same service a memorial to the men of the parish who fell in the war was unveiled by Col. H. R. Jones Williams (churchwarden), and dedicated by the Bishop.

The opening rounds on the bells were rung by St. Mary's, Brecon, ringers, who were afterwards joined by ringers from Llanelli, and Mr. J. P. Hyett, of Hay. Touches of Stedman and Grandsire Triples were rung.

MR. H. TORBLE'S ILLNESS.

The subscription list opened on behalf of Mr. H. Torble, of Lextonstone, who has been ill for the past twelve months, and is still unable to follow his employment, will now be closed, and those who desire to contribute and who have not already done so, are asked to send their donations to-day to G. Hayden, 29, Maryland Street, Stratford. Amount already acknowledged, £7; received since: 'An Eye ringer,' 10s.; 'A fellow ringer,' Barking, 2s.; J. S. Goldsmith, 3s.; A. T. BELFRY GOSSIP.

The recast ring of ten bells at Bradford Cathedral are to be opened to-morrow (Saturday) at 3 p.m. The restoration work has been carried out by Messrs. John Taylor and Co., of Loughborough.

The Doncaster and District Society, formed six months ago, is steadily increasing its membership, which now numbers 120.

On October 6th, 1849, William Booth died at Sheffield. Grandfather of Charles and Thomas Hattersley, he took part, in 1804, in the last peal on the old ten bells of the Parish Church, Sheffield, now the Cathedral, and the first peal on the new bells.

His most famous performance, however, was the first double-handed handbell peal, viz., Oxford Treble Bob Major, in which he rang 3-4, the peal taking place in his own house. Afterwards he rang the same pair of bells to Royal and Maximus.

William Booth was known in London. He visited the Metropolis in 1816, and rang a peal of Oxford Treble Bob Royal at Shoreditch, with George Gross and William Shipway. He joined the Cumberland Youths a week before this peal, and his certificate, still in existence, was signed by Shipway, who was then 'Beadle' of the Society.

October 6th is also the anniversary of the first peal of Stedman Cinques. This was a 6,204 rung at St. Martin's-in-the-Fields by the College Youths in the year 1788. The peal board, in the flowery language associated with peal records of that time, speaks of it as 'an instance of that unrivalled merit only to be equalled by a similar assiduity and perseverance.'

The first peal of Bristol Surprise on handbells was rung at Romford on October 1st, 1907. October 3rd is the anniversary of the first 'silent' peal of Kent Treble Bob on record. This was rung at Liversedge, Yorks, in 1863.

On October 2nd, 1608, Henry Bagley, the first of the Northamptonshire bell founders, was baptized at Chacombe. He commenced his foundry about the year 1632, and died about 1676.

'A Cambridge Ringer' is informed that his Minor method is open to the same objection as the previous one to which he refers. All the rows with the treble in 6th's are out of course.

Messrs. Aggett, of Chagford, are about to commence the restoration of the peal of five, with a new treble, at Rockbeare (Exeter); also of the peals at Sourton, Knowstone, Padstow, Landulph, St. Budeaux, Skilgate (near Taunton).

CENTRAL COUNCIL LIBRARY.

To the Editor

Dear Sir,—By the kind help of various friends of the Exercise, the library of the Central Council now possesses bound volumes of the ringing press from 1871-1901, consisting of 'Church Bells' and 'Bell News'. There are also available for reference my own bound copies of 'The Ringing World' from 1911 to present date. There is wanting the record of the years 1901 (May)—1910 (Dec.). Can anyone supply this? I fear I cannot undertake to deal with unbound copies. Failing this, is there anyone who possesses these copies in bound volumes, and while unable to part with them would allow the use of them for reference on application? If so, I shall be glad to hear from them.—
Yours truly,
CYRIL W. O. JENKYN.

BARLEY BELLS.

HELP WANTED FOR AUGMENTATION.

To the Editor.

Sir,—It has been decided to have the bells at the Parish Church, Barley, Herts, which are now a peal of five, rehung, and a new treble added to make a peal of six. About £150 is needed to put the bells in order, and to add the new treble, and of this £50 has already been collected, so that £100 is still needed. Contributions will be thankfully received by Mr. W. Mansfield, of Church End Barley, near Royston, Herts, or by Mr. R. Howard, Church End, Barley, near Royston, Herts, and will be acknowledged through your paper. We appeal to all ringing friends who can do so, to help us.

R. HOWARD, Secretary.

Barley Band of Ringers.

LEEDS & DISTRICT SOCIETY.

The usual monthly meeting was held at Idle, on Saturday, Sept. 24th, but was only poorly attended, as has always been the case, ringers being present from Shipley, Calverley, Leeds Parish Church, and the local company. The meeting was held in the tower, after touches of Plain Bob, Kent and Oxford Major had been rung. Owing to the Bramley bells being out of order, the question of the next meeting-place was discussed, but was finally left to the secretary to decide.—A hearty vote of thanks to the Vicar, churchwardens, and the local company, closed the meeting.

LANCASHIRE ASSOCIATION. INCREASE OF SUBSCRIPTIONS.

The annual meeting of the Lancashire Association was held at Todmorden, on Saturday last, when the towers of Christ Church and Unitarian Church at Todmorden, Cross Stone, and Hepstonstall, were kindly placed at the disposal of the members. Ringing commenced about 1 p.m. (although the bells were at liberty from 10 a.m.), and at 4 p.m. a service was held at Christ Church. The Vicar (the Rev. A. Aspin) gave a short address.

Tea followed, to which about 90 sat down. The business meeting then took place, the president (Canon Elsee) being in the chair, supported by the Rev. F. Whatmough and the Rev. — Marle (of Cross Stone).

The committee's report was read, as was also the balance sheet. There is a membership of 1,221, and a balance of income over expenditure of £1 15s. 10d., after paying the treasurer £4 11s. 5d. deficit from last year. The peals totalled 94, made up of methods from Bob Minor to London Surprise. Mention was made of the new Wigan branch, also the deaths of four members.

The ringing secretary and two auditors were re-elected without opposition.

Out of four candidates for vice-president, Mr. J. Potter was elected after close voting.

Five places were suggested for the next annual meeting, and the vote favoured Preston.

A long discussion took place regarding a wish to have a full report printed. The committee had had the matter before them, and they said it could not be done without raising the subscription, and recommended 1s. 6d. as a trial for twelve months, to which the meeting agreed.

Mr. Banks gave a short report of the Central Council meeting, after which the usual votes of thanks were accorded the various authorities, the organist, the choir, the local ringers ladies, and others, who had helped to make the meeting such a success.

MIDDLESEX COUNTY ASSOCIATION. EIGHT BELLS PROPOSED FOR STANMORE.

Members from the North-west corner of Middlesex, and from the adjoining districts of Bushey and Oxhey, turned up in good numbers at Stanmore on Saturday last, when a meeting of the Middlesex County Association and London Diocesan Guild was held, and it was very gratifying to meet two of the original members of the society, in Mr. E. Heading, of the local band, and Mr. C. H. Martin, of Hendon, besides several others of many years' standing.

Ringling commenced shortly after 3 p.m., and continued until 5 o'clock, when a short service was held, conducted by the Rector (the Rev. S. F. L. Bernays), who preached a very interesting and instructive sermon.

After tea, the meeting was held in the Vestry, the Rector taking the chair. Two new members were elected.—The Hon. Secretary proposed a vote of thanks to the Rector of Stanmore and to the Vicar of Harrow Weald for the use of the bells at their respective churches; also to the former for his address at the service. Thanks were also accorded to Messrs. E. Heading and J. Furness, for having the bells ready.

The Rev. S. F. L. Bernays briefly replied, with a warm welcome to the association to Stanmore, and expressing a hope that the proposals which had been made for adding two bells to the existing six would be carried out by the time the society again met there.

The meeting over, several members paid a visit to Harrow Weald, whilst others stayed at Stanmore, and at both places several touches of Doubles and Minor were rung, in many methods, including Cambridge Surprise.

It is sincerely to be hoped that the wishes of the Stanmore ringers to have a peal of eight will soon be realised, and we think they will be, but even with an octave of bells to attract members one could hardly hope for a more pleasant and successful meeting than the one just held, and we feel sure that the afternoon was thoroughly enjoyed by all present.

RINGER'S BEREAVEMENT AT SEA.

It will be recalled that in our issue of Sept. 16th we recorded a peal at Ashton-under-Lyne, rung in honour of a visit of Mr. William Jakeman, formerly a ringer at this tower. Mr. Jakeman resides in America, and, with his wife, was on a pleasure trip to England. Mr. Jakeman took part in the peal which was rung on the 6th, and a note in our 'Belfry Gossip' column stated that Mr. and Mrs. Jakeman sailed on the 10th, taking with them the best wishes of their many ringing friends.

It is our sad duty now to record that before the paragraph had appeared in print Mrs. Jakeman had passed away. News has reached England that Mrs. Jakeman was taken ill soon after their vessel, the 'Caronia,' sailed, and died at sea on the following Tuesday. Mrs. Jakeman was highly respected among a large circle of friends in Lancashire, and her death has come as a great shock to all who knew her. The deepest sympathy goes out to Mr. Jakeman in his great bereavement. On Tuesday of last week, a muffled peal of Treble Twelve was rung at Ashton-under-Lyne, as a token of respect and mark of sympathy.

PEALS TAPPED ON HANDBELLS.

To the Editor.

Sir,—In your leading article of the 23rd Sept., you say you cannot see where any injustice is done in your editorial remarks of the previous week. Now, sir, I consider that anyone who has called a peal of London from a pair of working bells, has reached what might be termed the top of the ladder in ringing. In your leader of the 16th you say it is a greater feat to tap a peal than to ring a pair of bells, which means that the performer has done something which supersedes anything in the way of ringing from a scientific point of view, and places the performer in front of anyone else in the Exercise. Can a man so suddenly spring into fame? I say, certainly not. If he can in a few weeks, then a good many of us must be very poor tools to have been so long about it. You speak of the mental concentration in tapping. If it be so, how about the late Elijah Roberts who, we are told, tapped ten bells all day? He then must have been a living machine. There is only one thing that will convince me that this tapping is such a strenuous task, and I think I can answer you and Mr. Broyd at the same time. If Mr. Broyd remembers aright, he took up the cudgels on behalf of Mr. Morris, and he put forward as an excuse that it was impossible for Mr. Morris to ring eight bells, and I suggested they should take four each as a way out of the difficulty. He does not care to take it on, and suggests I should ring the other four myself. I do not profess to be able to ring four bells to London Surprise, although I should probably be able to go as far as Mr. Morris at it; but I will take a pair and find someone else to take another pair, and let him ring the other four. If he can do that, he will be able to do something in ringing which no one else has done, and also convince the Exercise that he taps on the same system as ringing is done. Now, sir, if you don't see the injustice, you must be blind. You, no doubt, as Editor, reserve the right to express your opinion, and I, as reader, also reserve the right to pull you up when you go too far. To sum the whole thing up, it is a question of folk being too free to express their opinion; and my experience is that those persons who generally so readily express their opinions know very little, and generally either talk or write first, and think afterwards.—Yours truly,

W. PYE.

SUFFOLK DIOCESAN ASSOCIATION.

REV. H. DRAKE ELECTED SECRETARY.

A meeting of the Suffolk Diocesan Association was held at Hadleigh on Saturday, Sept. 17th, the towers represented being Bildeston, Tinborough, Ipswich, Lavenham, Ufford, Langham, North Walsham, St. Peter Mancroft, Norwich, Sible Hedingham, and Greenstead Green. The business meeting was held in the Guildhall, and in the absence of the Very Rev. Dean Carter, the churchwarden (Dr. W. E. S. Wilson) took the chair.

The new members elected were: The Rev. H. Drake, Ufford; Messrs. E. Evans, Ipswich; T. Reed, Hadleigh; F. Poulson, Thetford; W. Cross, Sible Hedingham (life member), and Dr. Wilson (hon. member).

The Rev. H. Drake was elected diocesan secretary, and Mr. A. Symonds (who had previously occupied the position) agreed to act as West Suffolk branch secretary.

Clare was selected for the next meeting, to be held in December, notice of which will be published in 'The Ringing World.'

Mr. W. R. J. Poulson proposed a hearty vote of thanks to Dr. Wilson for presiding, and also asked him to convey to Dean Carter the thanks of the ringers for the use of the bells.

THE LEICESTERSHIRE TOUR.

To the Editor.

Dear Sir,—The account of the happenings at the end of the above tour, as related by Mr. Willson, make very amusing reading, but he does not state how he himself got us out of a great difficulty. When we left our 'skipper and his craft' by the side of the road in the early hours of Sunday morning, and walked nearly four miles back to Leicester, we were in real trouble about our skipper's breakfast. Mr. Willson very kindly volunteered to see to this, and although he did not reach home until 2 a.m., he was back at the scene of the 'disaster' by 7.15, with hot tea, bacon, meat and bread, and 'Old Bill' enjoyed what he himself described as 'the best breakfast he had had that week.' Our sincere thanks are due to Mr. Willson for that act of kindness, and also for so well arranging the whole tour. We would also like to thank Mr. Pryce Taylor for his invitation to Loughborough on the Monday, when we rang the peal at the foundry, and for his hospitality on that occasion; and also the many ringers at Leicester, Loughborough and elsewhere, for the hearty welcome given to us.—Yours faithfully,

C. T. COLES (for the visitors).

NORTH NOTTS ASSOCIATION.**PROPAGANDA WORK.**

The second quarterly meeting of the North Notts Association was held at Harworth on Saturday, Sept. 10th, when members were present from Barlborough Blyth, Ordsall, East Retford, West Retford, Lancham, Misterton, Turton and Worksop, together with a few of the local company. It is fully eight years since the association had a meeting at this picturesque little village, so the visit and some good ringing was looked forward to by the inhabitants. Nor were they disappointed, as some well-struck touches of Grandsire Doubles, Plain Bob, Oxford and Kent Treble Bob Minor were rung on the sweet little ring of six put in by Taylor in 1893.

Tea was partaken of in the Village Schoolroom, presided over by the Vicar (the Rev. F. d'Arbaly Burney) and supported by the hon. secretary (Mr. H. Haigh) and others. The business meeting which followed was well attended. Three new members were elected, viz., Messrs. A. Lister, of Harworth, and W. Widdowson and G. Gabbittas of Worksop.

The next quarterly meeting will be held at Ordsall early in the new year, and advertised in 'The Ringing World,' but the secretary was authorised to arrange a supplementary meeting at Edwinstowe in October or early in November, for propaganda work, and with a view to the Edwinstowe tower becoming affiliated to the association.

Mr. Wilson and the Vicar spoke in the highest praise of this class of work.—Votes of thanks were accorded to the Vicar of Harworth for presiding over tea and meeting, and for use of the bells and schoolroom; also to the host and hostess, Mr. and Mrs. O. Revill, churchworkers, for providing an excellent tea at such a small charge.—These votes were carried with acclamation, and the Vicar, in reply, said nothing gave him greater pleasure than to see such a large gathering of North Notts ringers assemble at Harworth, and to hear some good ringing. He hoped again to hear the bells in the evening. He loved to hear the sound of bells, but neither he nor his ringers could do any change ringing. However, he was looking forward to the day when the tower would become affiliated to the association and some instruction be given to them by a competent ringer. In the course of his travels recently he was particularly impressed with the number of new peals, augmentations and rehangerings of bells taking place in various parts as suitable war memorials for those who had laid down their lives for their God, their King and country. There was nothing better. In conclusion, he wished the association God-speed in their work.

At 7 p.m. about 20 ringers wended their way to Tickhill, and by the kind permission of the Rev. H. Booby, and the steeplekeeper (Mr. Winn) were given permission to ring on the eight bells. Touches of Grandsire Triples, Bob Major and Kent Treble Bob Major were successfully brought round, and at 8.15 p.m. the bells were lowered in peal, and the carillon played three verses of 'Home, Sweet Home.' A pleasant ride home in the moonlight by 'bike' and motor-bus brought another happy and enjoyable day's ringing to an end.

INTERESTING WEDDING AT BRAY.

MR. E. R. COLES—MISS G. M. WOODHOUSE.

At the historic Church of St. Michael, Bray, on Saturday week, an interesting wedding was solemnised between Mr. E. R. Coles (son of Mr. Ralph Coles, foreman of the Wycombe belfry) and Miss Gwendolyn Marion Woodhouse, youngest daughter of Mr. E. Woodhouse, of 'Aleyn,' Bray. The ceremony was performed by the Rev. H. Pickles (priest-in-charge of St. Anne's Church, Wycombe Marsh). Suitable wedding music was supplied on the organ by Mr. C. Branwell, L.R.C.M., L.R.A.M., organist of St. Mary's Church, Maidenhead. The wedding was an exceedingly pretty one, and the glorious September day, with its wealth of sunshine, added a charming effect to a brilliant scene. The bridegroom is a member of the High Wycombe belfry, and by the kindness of the Rev. W. S. Riddlesdell, the bells of Bray Church were placed at the disposal of the Wycombe ringers, who attended in practically full force to do honour to a 'brother string.' Following the custom at this place, the bells were rung previous to the ceremony, and 360 Minor was brought round, when the happy pair emerged from the Church. Stedman and Grandsire Doubles and a touch of Kent Treble were also rung. Then came a break, for the ringers were invited to the Church Room, where they found a first-class spread in readiness for them. Afterwards the bridegroom looked in to thank his colleagues for their presence, and he met with a fine ovation. On behalf of the Wycombe belfry, the Secretary asked Mr. Coles to accept, as a wedding present, a solid silver bell, in the form of an inkstand, mounted on a mahogany base. The bell was inscribed: 'To E. R. Coles, on his marriage, Sept. 3rd, 1921.' Felicitations were also expressed to him and his charming bride. The bridegroom cordially returned thanks for the gift. Later the belfry was again visited, and other touches rung. Previous to lowering the bells, an invitation was sent to the ringers to call in at the bride's home, and here again the party were hospitably entertained, and the wedding cake sampled. The ringers spent a day of great enjoyment, and thanks are especially tendered to 'Mr. Ralph' for his successful efforts on their behalf.

On Sunday, after evensong, a couple of touches of Stedman were rung at Wycombe in honour of the event.

RINGERS WEDDED AT ISHAM.

MR. E. MAURICE ATKINS—MISS F. A. CANNAN.

An interesting wedding took place in the Parish Church of Isham (Northants) on Tuesday morning, Sept. 13th, when Mr. C. Maurice Atkins, son of the Rev. E. J. Atkins, Rector of Isham (late President of the Central Northants Association) was married to Miss F. A. Cannan, of Newbury. Both the bride and bridegroom are highly esteemed members of the Central Northants Association, Mr. Atkins being specially well known as ringer, composer and conductor of a large number of peals. He is a member of the Central Council, a past Master of the Cambridge University Guild, and a member of numerous associations. The ceremony was performed by the bridegroom's father (the Rev. E. J. Atkins), assisted by the Rev. E. Atkins, Vicar of St. Nicholas', Leicester (grandfather), and the Rev. G. Atkins, L.L.D., Rector of Denver (uncle). Needless to say, that before and after the wedding ceremony the beautiful peal of six bells were rung in honour of the event. Mr. Atkins conducted a touch before the service, and immediately after Mr. and Mrs. Atkins rang their own 'wedding bells.'

On Monday evening the Isham ringers presented Mr. Atkins with a handsome Queen Anne pattern tea-pot and silver-plated toast rack.

The honeymoon is being spent camping in the Wye Valley.

OXFORD GUILD.**NORTH BUCKS BRANCH AT GREAT BRICKHILL.**

A quarterly meeting of the North Bucks Branch was held at Great Brickhill on Saturday, Sept. 10th, when the following towers were represented: Bletchley, Beachampton, Fenny Stratford, Linslade, Stony Stratford, and Shenley, with the local ringers, the ringers numbering about 25. Great Brickhill only recently joined the branch, and this was the first meeting of its kind that had been held there, and had been much looked forward to both by the ringers and the Vicar, the Rev. F. H. Hoyle (who is also an honorary member of the branch). Service was conducted by the Rector, his address being interesting and instructive. After service, an adjournment was made to the Rectory grounds, which had been kindly placed at the disposal of the visitors, who were received by the Rector's wife (Mrs. Hoyle). Tea had been prepared on the lawn, and, needless to say, proved very acceptable, especially as the majority had come by cycle, the meeting-place lying rather wide of the railway.

After tea, the Secretary reported that he had no business to bring forward, but a general discussion took place over various matters, the chief being the best method to overcome the noise in the tower at Great Brickhill, where, when the bells are ringing, a conductor can scarce make himself heard. It was suggested that expert advice should be got to obviate the trouble.

The Secretary proposed a most hearty vote of thanks to the Rev. and Mrs. F. H. Hoyle for so kindly welcoming the branch, and for the splendid arrangements that had been made both for service and tea, which had made the meeting so enjoyable.—The Vicar suitably responded, and the members were quite satisfied that they would be welcome again when they decided to visit Great Brickhill.

Touches rung during the afternoon ranged from Grandsire Doubles to Cambridge Surprise Minor.

ESSEX ASSOCIATION.

A meeting of the Northern Division of the Essex Association was held at Feering on Saturday, Sept. 17th. A short service was held in the Parish Church, at which an address was given by the Rev. A. F. Curtis (Vicar). Tea and meeting followed at the Bell Inn, 25 members being present from Kelvedon, Witham, Earls Colne, Braintree, Stisted, Broomfield, Rayne, Chelmsford, and the local company.

Mr. H. F. Cooper, District Master presided, supported by the Vicar, Mr. C. H. Howard (Master of the Association), and Mr. B. Redgwell (hon. secretary). Two new members were elected.

The Vicar, who is shortly retiring, and leaving the parish to take up his residence in Coggeshall, was thanked by the Master for his address and warm welcome, and on behalf of those present wished him a happy time in his retirement.

Some excellent touches were rung before and after service on the ring of eight in the Standard methods. The next meeting is to be held at Sible Hedingham.

FALSE PEAL OF LONDON.

To the Editor.

Dear Sir,—It was I who pointed out to Mr. Morris that the composition of London Surprise tapped by him was false, and my reasons for doing so are that the three false course-ends that operate against the method are admitted as actual course-ends of the composition in question. They are 46253, 24385, and 32546, and they form the 6th, 11th and 16th courses. Another false course-end, 53624, is the 21st actual course-end. This, together with the fact that 42356, 34256 and 23456, are the 23rd, 24th and 25th actual course-ends, should at once dispel any doubts as to the peal not being false.—Yours faithfully,

EDWARD MULLINS.

BEDFORDSHIRE ASSOCIATION.

A meeting of the Bedford district was held at St. Peter's, Bedford, on Saturday last. The meeting was to have been held at Elstow, but owing to the death of the sexton's wife, the Rector of St. Peter's kindly granted the use of the bells at a very short notice. Members were present from St. Paul's, Bedford, Elstow, Kempston, Biddenham, Turvey, Clapham, Biggleswade, Roxton, Luton, Cranfield, and the St. Peter's company.

At the business meeting, Mr. F. Webb presided, and one new member was elected. Milton Ernest was chosen for the annual meeting of the district some time in November, of which notice will appear in 'The Ringing World.'

A hearty vote of thanks to the Rector for the use of the bells, and to Mr. Stapleton for getting everything ready, brought a very pleasant meeting to a close. The methods rung ranged from Stedman Doubles to Cambridge Surprise Minor.
