The LEADING BELL FOUNDERS

THE DEVONSHIRE GUILD

'Ringing World' Peal Fees Agreed to

THE 80th annual festival, held in Exeter on June 6th, was a great success. The experiment of holding it on a Saturday instead of Whit Monday produced the best meeting for several years, more than 100 attending. The thrill of ringing in the Cathedral with Grandison, the 72-cwt. tenor, was experienced by many, and five other rings were made use of. The Guild service was conducted at St. Mark's by the Vicar, the Rev. C. G. Poulton, and the attendance of the surpliced choir was much appreciated.

The address was given by the Rev. J. G. M. Scott, one of the Guild representatives on the Central Council, on the Sunday service ringing survey. He said that from the answers received four requirements stood out:—

1. **Leadership.** A leader must start with humility, be quite certain of his aim and be dedicated to it.
2. **A sense of duty.** This is more lacking to-day than ever. Duty is essential to every member of the Church and to every ringer.
3. **Good relations between ringers and church people.** The survey shows that where a band flourishes, the members also take an active part in general parish work.
4. **Healthy church life in the parish.** He said that he and many others experienced a feeling at Southport that this part of the meeting was what the members had come for. The Guild rules set out that one of its objects is 'to encourage ringing for divine service,' and we should act accordingly.

DEATH OF MR. A. W. SEARLE

After tea in the Parish Hall the president took the chair for the annual meeting. He first referred to the absence of the Bishop, due to his accident earlier in the week. The general secretary was instructed to write to the Bishop expressing the deep sympathy of the members and their wishes for a complete and speedy recovery. The secretary referred to the death, in his 90th year, of Mr. A. W. Searle, a vice-president of the Guild and former member of the Exeter Branch and Ringing Master at the Cathedral. He was also a Central Council representative for 28 years, a member of St. David's band for 70 years and had rung in all the Devon towers.

A discussion took place about the finances of 'The Ringing World' and it was agreed that the Guild representatives should submit a resolution to next year's Central Council meeting that all peals published in 'The Ringing World' should be paid for at 6d. a rope. Another resolution passed was 'That we set an example to other Associations and make a charge of 1s. per rope for all peals, 6d. to go to "The Ringing World" and 6d. to our own funds.' The feeling of the meeting was strongly in favour of both these resolutions.

An amendment of the rules was agreed to, making it obligatory that the general fund should be balanced up to December 31st each year and members were asked to pay their subscriptions early in the year so that the Branch secretaries could transmit to the general treasurer in good time.

It was agreed to hold the annual festival next year in Exeter, and since the meeting the Bishop's secretary has booked Saturday, June 18th, when it is hoped that His Lordship will be able to address the Guild. A grant of £25 to the Woodbury Bell Restoration Fund was agreed to.

All the officers were re-elected, viz.: President, Preb. E. V. Cox; general secretary, Mr. E. M. Atkins; general treasurer, Mr. W. Simmonds; auditor, Mr. W. Milford; lib-

rarian, the Rev. J. G. M. Scott. The general treasurer agreed to act as peal secretary, so peal reports should be sent to him with the fee of 1s. per rope. The representatives of the next session of the Central Council elected were Mr. T. G. Myers, the Rev. J. G. M. Scott, Mr. J. L. S. Glanvill and Miss B. M. Boyle. Resolutions of thanks concluded one of the most successful meetings of recent times, apart from further ringing at the Cathedral and other towers.

SPECIAL NOTICE

This curtailed edition of 'The Ringing World,' due to the national printers' strike has been produced under great difficulties. We cannot guarantee the date of the next publication but we will do our best to produce another edition as soon as possible.

STRIKING COMPETITION AT LEICESTER

The Leicester District of the Leicester Diocesan Guild held their first striking competition at the Church of St. Mary-de-Castro, Leicester, on May 30th.

Eight teams took part. Unfortunately, Blaby had to withdraw at the last minute, being one short. This was rather disappointing as their entry was especially sporting in view of the fact that they have only been ringing a few months.

The three judges—Messrs. R. F. B. Speed (Rugby), R. Edwards (Birmingham) and A. Ballard (Hinckley)—were installed in The Castle, which overlooks the church. After tea in a nearby café the results were announced by Mr. Speed.

St. John-the-Divine's, Leicester, with some near-perfect striking, were the winners, with no more than 22 faults, followed by Leicester Cathedral and Aylestone, with 26 faults. The remaining teams in order of merit were South Wigston, Leicester (All Saints'), Belgrave, Markfield and Gilmorton.

Mr. Speed said that on the whole the judges were very impressed by the standard of striking. He then presented an engraved tankard, kindly given by Mr. S. A. Jesson, and a certificate to Mr. S. Harrison, captain of the winning team. They were heartily congratulated, being the youngest band taking part.

The District would like to thank the Vicar of St. Mary's for the use of the bells, and the three judges for doing an excellent job. Further general ringing at the church, followed by handbell ringing in The Castle, brought an enjoyable half day to a close.

BIRMINGHAM CATHEDRAL

Repairs to the tower of Birmingham Cathedral, which cost over £30,000, are now nearing completion and, after a silence of two-and-a-half years, the bells will soon be heard again.

In view of the large quantities of brick dust which had fallen inside the tower, it was deemed inadvisable to resume ringing before the bearings were examined by a bell-founder.

Messrs. Taylor and Co. were consulted, and as a result have removed the clappers for re-bushing, and are to repaint the bell-frame and replace any worn fittings.

SALISBURY DIOCESAN GUILD

Memorial to the late Rev. F. LI. Edwards

A gathering of ringers from various parts of the diocese attended the Church of St. Mary, Kington Magna, on May 9th, for the dedication of a tablet recording a peal of Plain Bob Major, rung at Melksham, as a thanksgiving for the life and work of the Rev. F. LI. Edwards, Rector of Kington Magna for 48 years, member of the Central Council of Church Bellringers for 45 years and hon. general secretary and treasurer of the Salisbury Guild for 37 years.

The service, combined Evensong and dedication, was conducted by the Rector of Kington, the Rev Harold Snelgrove. The dedication was by the Archdeacon of Dorset, the Ven. E. L. Seagar, who also preached; the lesson was read by Canon C. Carew Cox, Master of the Guild, other robed clergy being the Rev. R. N. Longridge, hon. secretary of the North Dorset Branch.

In his address the Archdeacon paid a great tribute to Mr. Edwards—as a parish priest, as a musician, mason, farmer, but above all as a ringer, being a tower of strength to the Salisbury Guild and well known throughout the land; he had travelled far and was a very learned man.

The ringers of Kington Magna and Buckhorn Weston (which is now combined into one parish) rang before the service and those who attended rang at the close. A course of Grandsire Triples was rung on handbells at the graveside by Canon Cox, Mr. H. Keeley, Mr. C. W. Powell and Mr. L. Hitchens.

The congregation, together with the choir, were the guests of the parishioners to tea later in the afternoon. Mr. Edwards' family joined in the proceedings throughout.

TWO 61st ANNIVERSARIES

By calling John Holt's Original peal of Grandsire Triples exactly one month before his 84th birthday, at St. Margaret's, Ipswich, on June 13th, Mr. George E. Symonds commemorates two of his 61st anniversaries. He first conducted this at St. Margaree's, Barking, Essex, on February 5th, 1898, in which all bachelors took part, viz.: Albert Mason, William S. Langdon, William H. Webber, William H. Pasmore, Caleb Fenn, Rowland Fenn, G. E. Symonds (conductor), Thomas Faulkner.

The other performance was a silent peal of the same composition at St. John's, Waterloo Road, London, S.E., on June 4th, 1898, by: Arthur R. Davis, George W. Wild, Harry Barton, G. E. Symonds, Harold N. Davis, James E. Davis, Thomas Langdon, William S. Langdon; Umpire Frederick Perrin. The band's average age was 25 years.

It is believed that the brothers Fenn and Langdon are still with us and it would be interesting to know if the others are living.

G. E. S. has rung the Original 27 times on tower bells and five on handbells, calling 26 of them.

BARNSELY SOCIETY'S SHIELD CONTEST

From seven competitors, Friezland won the Barnsley Society's Shield Contest at Wortley on June 13th. Results: Friezland 45, Shelley 46, Silkstone 59, Sandal 62, Cawthorne 127, Thornhill 181, Ecclesfield 230.

The test was 600 changes with 120 changes practice. The judge was Mr. Harold Chant and the marker Mr. Daniel Smith.

Mr. Frank White, who received the shield on behalf of Friezland, said this was his last contest as he was leaving Friezland. Each member of the winning team received a jam dish; there were prizes for the runners-up, Shelley.

A past vice-president of the Lancashire Association Mr. Joseph Leatherbarrow, died at Newchurch on June 9th, aged 71 years. He was captain and tower-keeper at Newchurch Parish Church for 48 years.

Mr. V. Jones, of Coleshill, Berks, died on June 13th, aged 84 years. He was a keen ringer up to the 1939-45 war.

Will the sender of the Peal rung at Huntley on May 30th, please forward his name and address.

The quarter peal rung at St. Clement Danes by the Hillingdon band was on May 24th and not as printed in 'Belfry Gossip.'

The striking competition of the Northern District of the Surrey Association, held at Esher, was won by St. John's, Croydon. St. Mary's, Beddington were second.

Fortune was with the band who rang Little Bob Royal at Ewerby, Lincs, on June 13th. The composition had an alternative calling, reducing from 5,040 to 5,000 changes. This was called and in the first pull of lowering the second, the rope broke! This proves Mr. Henry Fearn, of Birmingham, is correct in denouncing extra leads over the 5,000.

From Over Cheshire comes the news of a long length in Spliced Surprise Major rung on June 13th in six hours and in ten methods. At the conclusion of the peal the composer, Mr. A. J. Pitman, came into the belfry and congratulated the band. The co-operation of the local band in providing refreshments in the belfry after the peal was much appreciated.

Kimpton, Herts. bells are to be retuned, rehung with ball bearings and a new ringing floor installed at about 12 feet from the ground. Rededication is planned for October 31st. to be followed by a ringing competition for a silver cup. Kimpton hope to make this an annual event as an incentive to good striking.

BELFRY GOSSIP

While giving Gnosall, Staffs, belfry a 'new look,' Miss June Kay and Mr. David Friend found in a hidden recess an old envelope discoloured with age, dated 1851. The only address discernible was 'High Street, Gnosall.' Trembling with excitement at the hope of finding gold or precious jewels, they opened the envelope and found—17 human teeth.

Recently the Vicar of Dean Prior, near Buckfastleigh, Devon, resigned the living and moved to Oxfordshire to live in retirement. It is understood that proposals have been adopted whereby the Vicarage will be sold and the parish amalgamated with Buckfastleigh. With the consent of the Vicar of Buckfastleigh the tower and bells are kept going for Sunday morning services by ringers from the neighbouring parish of Rattery.

After ringing six entents of Kent Treble Bob Minor at Churcham, Glos, on June 13th, the bells were set up as they were then going very badly. If the peal had been obtained it would have been the first since 1909. There have only been three peals on these bells since they were recast and rehung in 1877.

A fine performance was put up by the Rev. John Shepherd Wdyln, who is blind, in scoring his first peal of Stedman Triples at Norfleet on June 13th. We hope to read Mr. Wayln's name in our peal columns more frequently.

When the Rev. C. Walters, a ringer, was inducted to the living of Frinstead, Kent, he found that the bells, which had been silent for 11 years, had no ropes. These were provided by Mr. R. L. Pemperton, practices instituted on Thursdays with Mr. Ernest Gage as captain. On June 6th the second peal on the bells was rung, the first on June 11th, 1927, being conducted by Mr. George Gilbert. Mr. George Kenward rang in both peals.

OUTINGS

BARKBY, LEICS

A coachload of Barkby ringers enjoyed an outing into Northamptonshire on May 23rd, which had been planned by Mr. M. R. A. Kirk with the assistance of Mr. L. Witten.

Ringling took place at Woodford, Thrapston, Islip, Lowick (where the bells had not been rung for over a year but only chimed on Sundays) and Sudborough. At the last-named tower the sexton stated that the bells were rarely rung. He had a tape-recording of them and when needed for a wedding the recording was amplified.

BEACONSFIELD

Beaconsfield ringers spent an enjoyable day on June 6th, when they rang at St. Peter's, Bexhill, Christ Church, St. Leonards, Christ Church, Blacklands, and All Saints', Hastings.

One of the objects of our journey was to meet Mr. Alf Levett and his wife once again; they met us at Bexhill and spent the day with us, and many amusing reminiscences were exchanged.

We would like to thank Alf for his great kindness in arranging the ringing programme and the excellent tea. D. R. F.

DONCASTER

St. George's, Doncaster, ringers, for their annual outing on Whit Monday, visited attractive towers, although the light eight and long draught at Ashbourne took some getting used to. Touches of Double Norwich, Stedman, Cambridge and Little Bob were rung at Burton-on-Trent and at Lichfield Cathedral the Society was privileged to ring for one hour for Evensong.

After tea at Derby the Cathedral was visited, where some good ringing was again heard. An hour's ringing at Mansfield concluded the programme and included spliced methods.

IN ROMNEY MARSH

The churches in and around Romney Marsh were visited by a small party on June 6th. The list included the short tower at Brabourne, Stowing where the bells are anticlockwise, Lyminge (8), Newington, Lympe, Burmarsh, Aldington (the best six of the day), Warehorne, New Romney, Lydd (where the elusive course of Cambridge was successfully rung), Brookland (with its famous detached tower), Appledore, Stone-in-Oxney and Woodchurch, where ringing was curtailed through misreading the map. The disappointment was Fairfield, where the key could not be located.

TWERTON-ON-AVON, BATH

The Twerton-on-Avon ringers held their annual outing on June 6th, and were accompanied by friends from Corston, Bristol, Warmley and Newton Park College.

Mr. Woods, a local ringer, made the party welcome at Mere, Wilts, where we enjoyed ringing the pleasant, heavy octave (tenor 23 cwt.). At Longbridge Deverill, Mr. Jones was waiting to greet us. Here we found a merry octave (tenor 12½ cwt.) with a very short draught of rope.

On to Warminster, where members had their tea before ringing at the Minster Church of St. Denys. The Vicar and three members of the local band met us. The bells are a heavy octave (tenor 28 cwt. in D), hung in a central tower, that go very well.

The last tower was Westbury, where we had the pleasure of ringing the heaviest octave in Wiltshire. The bells, again hung in a central tower, are a superb ring with a tenor of 35 cwt. Ringing ended with a few excellent call-changes.

SHEFFIELD AND DISTRICT SOCIETY

The annual 6-bell striking contest for the Sheffield and District Society's silver cup was held on the very light ring of six at Old Whittington (tenor 6 cwt.), near Chesterfield, on June 6th. The judges (Mr. H. Chant and Mr. J. Thorley) in their commentary remarked upon the exceedingly high standard of ringing maintained throughout the contest. Six teams entered, producing 360 changes in five different methods. Handsworth, with 37 faults, was again judged the winning team, and the local company second with 46 faults, closely followed by Bolsover (55 faults) and Rotherham (56 faults).

On behalf of Handsworth company, Mrs. D. E. Kelly, the only lady member of the team, received the silver cup from Mr. F. Adams, of Staveley, who congratulated the team on an excellent performance.

Mr. N. Chaddock (Central Council representative) gave a brief report on the meeting at Southport, making a special appeal for all members to take 'The Ringing World' and to take it through the post. During the meeting a show of hands revealed that most members were subscribers to 'The Ringing World.' Mr. Chaddock also referred to the debate on the Survey of Sunday Service Ringing, and answered questions put to him about this, indicating measures to be taken during 1959/60.

In his vote of thanks Mr. B. Cooper expressed the Society's appreciation of the excellent arrangements for the meeting made by the local company. Eight new members were elected. It is hoped that the next meeting will be held at Eckington on July 4th. S. C.

CHRISTCHURCH RINGER'S GALLANTRY

Mr. Ken Derham (51), a cafe proprietor at Mudeford, Christchurch, and a member of the Christchurch Priory band for many years, has been awarded the Royal National Lifeboat Institution's silver medal for gallantry in rescuing a young man and a girl on Easter Monday.

Mr. Derham made the rescue at considerable risk in his 11ft. rowing boat in a heavy sea.

The man and girl were clinging to wreckage. The girl was exhausted and had to be dragged on board by Mr. Derham.

At different times Mr. Derham has rescued many people from the treacherous Mudeford waters.

LLANDAFF AND MONMOUTH ASSOCIATION

Fifty-four members and friends attended the Llandaff Branch meeting at Radyr on May 23rd, where, in the absence of Mr. G. I. Lewis, duties of Ringing Master were capably performed by Mr. T. Yeoman. The Rector (the Rev. W. S. Pontin) conducted the service and the Rev. Percival Jones gave the address. The enjoyable tea was provided by the ladies of Radyr.

LEEDS AND DISTRICT SOCIETY

An excellent meeting was enjoyed at Batley on May 30th, with about 35 ringers present. Various methods were rung, ranging from the plain to Surprise.

The Society welcomed four ringers from Lancashire who were on a visit to Yorkshire.

At the business meeting, Mr. J. Gibson thanked the Vicar and churchwardens for the use of the bells, and particularly Mr. David Atkins for his excellent arrangements. Mr. Harry Lofthouse seconded the vote of thanks. Mr. David Atkins replied on behalf of the local company.
