EDWIN AND OLIVE BARNETT

By Canon Gilbert Thurlow

(President of the Central Council)

THE Exercise is served today by a large and increasing number of brilliant personalities. Outstanding amongst these is Edwin Barnett, who, with Olive his wife, has rendered such signal service as Secretary and Treasurer of the Central Council during these last fourteen years.

As a ringer, his career has been remarkable, indeed. First and foremost, like his father and grandfather before him, he has devoted himself to his own parish church. Saint Paulinus, who proclaimed the Gospel in Kent many centuries ago, must surely rejoice at the way in which the bells of his church at Crayford, rung by the Barnetts and their fellow ringers, proclaim it today. Teddy's father has rung there for sixty-five years, and his grandfather rang there for forty-three years.

Teddy Barnett, born in 1918, rang his first peal at the age of eleven. When he was twelve he conducted a peal of Kent Treble Bob Major. By the time he was thirteen he had rung peals of Surprise Major in the four standard methods, and had conducted a peal of Cambridge Major from a working bell. How proud his grandfather must have been of him on that day — the last peal in which Grandfather rang. At fourteen he was ringing peals of Spliced Surprise Major and Cambridge Royal. At fifteen he was conducting peals of Yorkshire and Pudsey, and at seventeen he was calling peals of Bristol. He conducted the first peals ever rung of Painswick, College and Pulford Bob, Erith, Little Bob Royal and Canterbury Pleasure Triples.

On handbells he was equally brilliant and his peals include 6,240 and 13,664 Double Norwich, which is the record. In the field of composition he has distinguished himself by producing many fine compositions, and his knowledge of the subject is immense.

During the last war he served in the R.A.F. and at its conclusion was attached to the Air Ministry. Illness has curtailed his peal ringing activity, but he is still as active as possible in this direction. Meanwhile his services to

the Exercise were developing in other directions. He was elected to the Central Council in 1945 as Kent County Association representative, and served on the Biographies, Methods, and Peals Collection Committees.

Apart from this brilliant record — well summarised by Jafus in a previous 'Ringing World' — I, like all Central Council members, have reason to be deeply grateful to Teddy for his work as Secretary to the Central Council. This involves a wide variety of activities. Inquiries about every kind of topic connected with bells and ringing constantly come to him directly or eventually, and invariably receive an expert and courteous reply. There are from time to time financial questions demanding a balanced opinion such as an experienced financier would give. In so varied an institution as the Exercise, there can easily arise questions involving differing personalities, and opposing views each backed by apparently adequate data; all seem to receive a balanced judgment uncoloured by personal feelings.

Teddy is invariably helpful to diocesan and county association secretaries and members during the year previous to the Council meeting in their territory. His bearing all through the Council meetings, of both the Standing Committee and the full Council, and during the other Whitsun events, is most helpful to all concerned. He is never ruffled, never without an answer adequate in itself yet without attempting to dictate opinion — what a town clerk he might make! Even after the President had made an unusually inane remark followed by "I was only trying to clarify the issue" his calm was unruffled. Mailing and minute keeping form a huge task, kindly shared by others.

In all this and much more, he is most ably assisted by Olive — whom he married in 1942, daughter of Mr. and Mrs. F. I. Hairs and granddaughter of the late Frank Bennett. She has made a major contribution to the success of his work as Secretary, and her knowledge, charm and tact amply match his. Their daughter Jean is following splendidly in the family tradition.

Secretarial activities these fourteen years have meant that they cannot "enjoy" Council meetings as fully as those who can spend Whit Monday and the nearby days ringing and meeting old friends. Whilst the work is carried on in future years by another splendid couple, we look forward to seeing them gaily going about, unfettered by secretarial cares.

Central Council Tributes to Mr. and Mrs. E. A. Barnett

Mr. Frederick Sharpe, Immediate Past President of the Council:

Few realise the enormity of the duties of a secretary of the Central Council, all of which have been carried out so admirably and with such apparent ease by Mr. E. A. Barnett for so many years. He was a great tower of strength to me during my term of office as president, and I am glad of the opportunity to express my sincere gratitude for all the help so willingly given by both Teddy and Olive.

Mr. John Freeman, vice-president of the Central Council:

I first met Teddy Barnett in 1947 and since then we have become good friends. When we have visited each other's home, peal attempts have been arranged and it says much for his prowess as a practical ringer (about which he is singularly modest) that in about 20 attempts, both in the tower and "in hand," there has been only one failure. Teddy was powerless to do anything on that occasion—I missed a bob!

Mr. F. E. Perrons, hon. librarian:

When Mr. E. A. Barnett became the Central Council's honorary secretary in 1952 I feel certain that he was determined to maintain the high standard of efficiency set by his predecessor, Mr. G. W. Fletcher, and that he has done most successfully throughout his 14 years in office.

Although I have been a member of the Central Council for many years, it is only since I have held office and so had the opportunity of seeing much of the secretary's correspondence that I have realised what a tremendous amount of work is entailed. The Council and the whole Exercise owe a great debt of gratitude to Mr. Barnett and also to his wife who, I am sure, has rendered valuable assistance.

Mr. W. B. Cartwright, legal adviser to the Central Council:

It is only when one comes into close contact with a person that one is able to appreciate his worth. I have met Teddy Barnett on many occasions when dealing with legal matters on behalf of the Central Council and have always found him most co-operative and helpful and it has always been a great pleasure to work with him.

Mr. J. F. Smallwood, life member, former convener of "The Ringing World" committee:

When, some 15 years ago, Albert Walker and I decided to nominate Teddy Barnett as secretary in opposition to the recommendations of the committee appointed to find a successor to George Fletcher, we felt that he was eminently suitable for the job, and his work has shown that we were well justified in our action. He has carried out his onerous duties with efficiency and dignity and has enhanced the prestige of the Council. His attractive wife, Olive, has also endeared herself to all members.

Mr. Harold N. Pitstow, convener of the Broadcasting and Television Committee and honorary auditor to the Council:

I have been associated with Teddy Barnett almost entirely in the work of the Central Council, and chiefly as auditor of the Council's accounts. Here I was able to see the very methodical and accurate way in which he worked. The audit has always been made as easy as possible by the orderly manner in which books and documents were presented.

MR. EDWIN A. BARNETT,
Retiring Secretary and Treasurer.

Mr. Edgar C. Shepherd, convener of Literature and Press Committee:

I feel that this occasion gives me an opportunity to express my deep appreciation of Mr. Barnett's advice and practical help in the production of "The Sound of Bells." But for him the project would never have been conceived, and without his patient examination of a vast number of recordings we should never have made a satisfactory disc.

Mr. N. Chaddock, convener of the Sunday Service Ringing and Education Committee:

I first met Teddy Barnett in a peal in Rotherham in 1936, again in Crayford in 1943.

In the years he has encouraged me in my branch of Council work my early impressions of him have remained. Always efficient and unfurried. We shall miss his calmness and clear judgment but, I hope, continue to enjoy the sincere courtesy which he and Mrs. Barnett have always extended to us.

Mr. Douglas Hughes, honorary treasurer "The Ringing World":

I was dismayed at last year's Council meeting when Teddy Barnett announced his intention to retire from office, for in our association with Council affairs over the last several years both he and Olive have always been so ready with help and advice.

The whole Exercise is indebted to them for 14 years of unselfish devotion to ringing affairs.

Mr. G. W. Pipe, convener of Overseas Committee:

I chiefly remember Edwin Barnett's work during my seven years in Australia. He has always been very enthusiastic about overseas activities and it was due in no small measure to his interest in ringing outside Britain that we were able to appoint an Overseas Committee.

I know, too, of the many letters he used to deal with from these territories before the committee was formed!

Mr. Walter Ayre, chairman of the Peals Analysis Committee:

As a long-serving member of the Council I should like to pay a personal tribute to the work of our retiring honorary secretary — "Teddy" Barnett.

I have served on committees since 1933, so have had somewhat to do with the secretaries during that time. To "Teddy" this was an unwanted job, thrust upon him. This he tackled with sincerity of purpose, enthusiasm and efficiency; kept hard at it by a very capable, hard-working assistant—his charming wife. As a convener I found out he could be a hard taskmaster, for if the report failed to reach him by the correct time, well—I had to do the duplicating myself!!

I am sure my committee will join with me in wishing them both the best of luck in the future, with many thanks for all their work.

Mr. Kenneth Arthur, Durham and Newcastle Association:

"Depositum Custodia" was the motto of an R.A.F. unit to which Teddy Barnett and I were both attached for a time during the last war and that precept I think aptly sums up his service to the Central Council. He has truly been a worthy custodian of the reputation of this organisation with its ever-widening influence.

He has not spared himself in his official capacity to support the work of member Guilds and Associations, and I recall with pleasure his attendance at the 80th anniversary celebrations of the Durham and Newcastle Association in Durham Castle in 1957. The man and wife team of Teddy and Olive, with their personal charm and quiet dignity, has contributed largely to the success of all the Council meetings I have attended and I feel privileged to have met under their direction.

Mr. P. M. J. Gray, Australia and New Zealand Association representative:

During Teddy Barnett's secretaryship the strength of ringing overseas has grown and the Council's attention to it has developed correspondingly. The rapid growth of International Outlook in ringing has been remarkable and Teddy has done much to foster it as a frequent correspondent to America, Canada, Australia and New Zealand, Africa and many other places. His handling of Foreign Affairs has been attended by the same ease and grace as his handling of Home Affairs.

Mr. F. E. Dukes, hon. secretary The Irish Association:

Ted Barnett was of tremendous assistance to us in Ireland. The way in which he was able to assist the writer with information and advice before and during the Central Council's visit to Ireland in 1958 stamped him as a first-class administrator. This is confirmed in the manner in which he prepared and handled the business for all Council meetings. At all other times he was a wise counsellor and a true friend. Best wishes from his Irish friends in his well-earned retirement and our gratitude for all his help and advice to us in the past.

Mr. C. Kenneth Lewis, convener of the Methods Committee:

I am glad to be able to pay tribute to Mr. Barnett and in particular I would refer to our work in presenting the present edition of Rules and Decisions. His technical knowledge coupled to his wide acquaintance of history and personal details of many celebrities made our task most interesting to me.

Warm Appreciation of a Meticulous Secretaryship

Mr. Dennis Beresford, Master of the Society of Royal Cumberland Youths:

At Council meetings a standing feature, which will have impressed most members, has been the efficiency of the secretary with his meticulous preparation, attention to detail and knowledge of the Council's Rules and Procedure. The standard of performance which he has set for himself as secretary is exactly that with which he approaches practical ringing, where only his highest personal standard is good enough.

At the many functions to which he has been invited, by virtue of his office in the Council, he has done much to enhance the dignity of his position by his scholarship and detailed knowledge of ringing and ringing history.

We are deeply grateful for his efforts, and in this Society (Cumberland Youths) are particularly proud of his achievements.

Mr. T. J. Lock, convener of the Biographies Committee:

Tom and Kathleen Lock have known Edwin A. for many years, remembering especially the youngsters' peal of Spliced Surprise Major at Crayford (average age 22 years) in 1935 and a peal for their wedding in 1938, when he assured them "I have booked April 23rd, 1988"!

Mr. A. D. Barker, senior member of the Central Council:

Having known four of the five previous secretaries of the Central Council, three of them as personal friends, perhaps I may be allowed to write a few lines about Teddy Barnett, especially as he is the third member of a well-known ringing family with whom I have rung over the last 60 years—Edwin senior, Long Teddy and Young Teddy.

To follow a line of giants of the Exercise on a task of such magnitude as secretary of the Central Council, was not easy, but he has achieved it with distinction and success, and the members will all be sorry that he has decided to relinquish the post.

Mr. Vernon Bottomley, president of the Yorkshire Association, nominated as honorary secretary of the Council:

It is to be hoped that members of the Council will not expect Teddy Barnett's outstanding qualities of cheerfulness and patience to be inherited by his successor.

Mr. R. S. Anderson, convener of "The Ringing World" Committee:

Although a member of the Central Council during the whole period of Mr. Barnett's term as our honorary secretary, my personal contacts with him were not frequent until I was appointed convener of "The Ringing World" Committee.

I would, however, for myself and members of the committee, pay tribute to the competent way he has carried out the many and varied duties of the office he is now vacating.

Mr. Peter J. Stanforth, Leicester Diocesan Guild:

"Teddy" Barnett to everyone in the Ringing Exercise is a walking "book of knowledge," his meticulous care in putting everything in the right place is akin to that other love of his, namely cricket. Just as he can recognise fluency in a batsman, we have been pleased to witness this guidance in him as secretary of the Council.

SALISBURY DIOCESAN GUILD West Dorset Branch

Netherbury Church, which stands on high ground overlooking the picturesque village, was the venue for the West Dorset Branch meeting on April 16th. The Vicar, the Rev. P. May, conducted the service, and local lady ringers prepared tea in the Village Hall.

At the business meeting tributes were paid to the late Mr. W. J. Bailey, a member of Beaminster tower for 40 years.

Fortcoming events: Combined meeting with Crewkerne Branch, Broadwindsor, May 21st; quarterly, Hawkechurch, June 11th; practices, Thorncombe June 8th, Askerswell June 22nd, South Perrott July 13th. J. D.

**MRS. OLIVE BARNETT,
The Assistant Secretary.**

Mr. P. A. Corby, hon. secretary Kent County Association:

I have known Teddy for 31 years, was best man at his wedding and godfather to his daughter, Jean. As a frequent visitor to his house, where he and Olive have ever made ringers welcome, I have seen at first hand the care and skill they have devoted to the affairs of the Council. As a practical ringer he has few equals on tower- or handbells, and but for a period of ill-health would have achieved even more in this field. He has a wonderful knowledge and experience of the technical side of ringing which, with a fine sense of history and a phenomenal memory, has equipped him superbly to guide ringing affairs, although his modesty and natural charm have tended to divert attention from the massive contribution he has made to the well-being of the Exercise. He deserves our thanks.

LUMLEY, 1966

"Boy Scout, are you willing to learn for one shilling

"To ring? Said the Scouter, "I will."

(With apologies to Edward Lear. "The Owl and the Pussy-Cat.")

A novel feature of the ringing course held at Lumley Castle, Chester-le-Street, on March 26th, was the presentation of a "bob-a-job" Boy Scout as a "guinea pig" for the class in the training of belfry recruits. Scout Stephen Hall had never entered a belfry before but after 40 minutes of intensive, specialised tuition he was handling a bell solo in creditable fashion and had become a prospective probationer for the local tower.

The attendance of 46 members was in sharp contrast with last year's record total of over 100 but this had its compensation in smaller and more tractable classes. Three streams of study were provided for on this occasion: Elementary Grade I for rounds beginners progressing to first steps in change ringing, with Peter Rock and Fred Hodgson as tutors; Elementary Grade II for "plain hunters" progressing to elementary method ringing, tutored by Ted Hudson and Roger Chicken; and an Advanced Grade for the more experienced ringer wishing to study a systematic method for the instruction of recruits, with Kenneth Arthur and Denis Bayles as demonstrators.

Mrs. J. S. King, president of the Ladies' Guild:

As a Central Council member for the last 12 years I have always admired "from afar" Mr. E. A. Barnett's interpretation and command of this most arduous office and feel very sorry that he is unable to continue.

In my opinion he is the most perfect secretary; he has always had the affairs of the Council "at his finger tips" and has conducted himself and the business in hand with quiet dignity and charm. I feel sure he has been a great comfort and support to the various presidents. No tribute would be right or complete without words of thanks to Mrs. Barnett, who has shared so wholeheartedly and graciously her husband's work for the Central Council.

Mr. Wilfrid G. Wilson, member of Editorial Committee, "The Ringing World":

Teddy and Olive Barnett have each the inestimable advantage of coming from well-known ringing families. They have each built so well on this foundation that in their own right they have fully earned the high regard of the Exercise.

I know personally how conscientiously all their work for the Central Council has been carried out and, in another capacity, how well Teddy has organised the ringing at St. Clement Danes' since it came into the care of the R.A.F. Following a number of peals, especially handbell peals, I can testify to his ability as a conductor and to his almost perfect style and striking. His invariable courtesy, tact and helpfulness are recognised by us all.

Mr. John Willis, chairman of Kent County Association:

When "E. A. B." was appointed secretary the Kent Association rejoiced. One of their most talented young men had attained high office.

Now "E. A. B." is retiring we can still regard him with pride. No one could have shown more efficient devotion to duty.

Mr. W. F. Moreton, secretary of the Yorkshire Association:

Mr. Barnett's friendliness when I first met him at the Exeter Council meeting was typical of the secretary we have been so fortunate to have, and it has been shown by him and his wife, especially to Yorkshire ringers at their annual Snowdon Dinners.

Once again we were privileged to enjoy ideal facilities for our project. The historic surroundings of Lumley Castle laid the scene for the introductory lectures and meals, while Bishopwearmouth Church Annexe was the venue for further talks in the Elementary Grades later in the day. Practical sessions for the elementary classes were held in the bell-fries of Holy Trinity and Bishopwearmouth Churches at Sunderland with a special bus being provided for inter-travel; and the Advanced class had practical demonstrations and ringing practice at Chester-le-Street tower.

The full course met together again in the evening for dinner in the Great Hall of the Castle and this was followed by the customary review of the day's proceedings. A verdict of "no complaints" was generally voiced and all agreed that another enjoyable and profitable day had been spent. Appreciation of the organisation of the course was expressed by Mr. W. Tyson, the president of the Durham and Newcastle Association, and in reply the Ringing Master recorded acknowledgments to the college authorities and to all the instructors. K. A.

CENTRAL FUND FOR BELL RESTORATION

Dear Sir.—The suggestion made by Mr. D. E. R. Knights in your issue of April 29th that there should be a country-wide bell restoration fund administered by the Central Council was also made by Mr. Alan Pink in a letter to me just over a year ago. It was considered by the Standing Committee at Northampton, but the general view was that problems of administration would be very great, even if it were possible to get such a fund going.

I am sure this is right. As a member of the committee of the Kent County Association, which has had a Belfry Repair Fund for over 50 years, I have taken part in a good many discussions on applications for grants from towers in the county in which there has been extreme difficulty in reaching agreement on the amount to be given; so much so in fact that I have begun to wonder whether the best thing would not be to wind up the fund altogether.

That is of course a domestic matter, but the point I want to make is this: If the committee of one Association can go away feeling, as has happened to me, that tower X has been unfairly treated compared with tower Y, how would those administering a centrally-run fund be in a position to determine the relative needs of a tower in Devonshire as against one in Durham? Has the first, on which £10,000 is being spent on a complete restoration but which is in a large and wealthy parish, a greater claim than the second, for which £500 is needed in a village of a few hundred people, many of whom are Non-conformists anyway? One might think the latter, but it then emerges that the wealthy parish has raised large sums only recently for other essential tasks and those responsible fear that local support will not unnaturally be slow in forthcoming; there has always been a strong local band there and the authorities value highly the ringers' efforts, whereas things are very different at the other tower. This is the sort of problem to which we in Kent haven't really found a satisfactory answer, which makes it the more certain that justice could never be done as between Devonshire and Durham.

This would not matter so much if money were forthcoming on the scale suggested by Mr. Knights, when grants could be substantial, but I question if it would be. If there are less than 6,000 ringers ready to pay three shillings a month for "The Ringing World," is it likely that 20,000 would contribute a very similar sum to a bell restoration fund? Perhaps 2,000 would—for a time. Then, as is happening with the Christian Stewardship scheme in my own parish, contributors would fall away and the amount available for distribution would be derisory in comparison with the number of claims.

There is no doubt that in these days ringers ought not to shrug off all responsibility in these matters, but I am certain that a central fund is not the answer.—Yours faithfully,

E. A. BARNETT,
Hon. Secretary, The Central Council.

ESSEX CHURCH BELLS

Dear Sir,—I have recently obtained a copy of "Essex Church Bells" by C. Deedes and H. B. Walters published in 1909 in Aberdeen, together with the original prospectus dated 1907. It appears from the prospectus that publication was limited to 250 copies. I would be interested to know how many of these copies are still in existence. Would those possessing copies please notify me, together with any interesting information as to how they obtained them?—Yours sincerely,

U. W. WILDNEY,
Cott. Edith Road, Kirby-le-Soken, Essex.

Letters

CENTRAL COUNCIL MOTIONS

Dear Sir,—I would like to comment upon the motions to be put to the Central Council at Bath on Whitsun Tuesday ("Ringing World," page 274)

(a) Non-resident membership fees. The word "favours" makes this proposition almost acceptable, but I think that all affiliated Societies are no doubt capable of managing their own affairs in a fair, honest and economic manner.

(b) Peal Fees. Surely the proposal stated in "The Ringing World" is quite meaningless and cannot be submitted as such to the meeting of the Council—how can . . . the names of those taking part in peals reported in "The Ringing World" be not published . . .? Should the proposal not read . . . reported to "The Ringing World"?

However, the acceptance of even a revised proposal of this nature could lead to a ludicrous and possibly an invidious state of affairs. In that case, should the refusal of one "offender" to pay preclude publication of a peal as a whole (which would be unfair to the rest of the band), or should the refusal merely preclude the printing of the name of the "offender"? One could then envisage a 12-bell peal rung by one "good boy" only, assisted by 11 blank spaces!

(c) Annual Donations by Societies. I am of the firm opinion that "The Ringing World" should be maintained solely by charging an economic price per copy. It should be evident that any such donation by all affiliated Societies would be merely an indirect method of increasing the basic cost per copy to each member of those Societies—whether that member takes the paper or not!

For example ("Ringing World," page 290). The donation of £21 from the Gloucester and Bristol Association, from (one assumes) 110 members, amounts to approximately 4½d. per capita! It would certainly ease the task of Association secretaries, treasurers and auditors were we all to pay 1s. per copy, and I am sure it would make life easier for you as Editor.

I would add that whilst this letter is not written on behalf of my own Association, it does reflect the general feeling of opposition to all three motions which was shown at our annual meeting recently.—Yours faithfully,
PHILIP MEHEW.

Hitchin, Herts.

THE ORIGIN OF TENOR

Dear Sir,—I, like many others, have often wondered why the lowest bell in a ring should be called tenor and not bass, and on several occasions have been asked that question. Although Mr. Wilby says he has never heard of a satisfactory explanation, he proceeds to provide one on page 292.

It reminds me of several years ago when a small band of us were trying to learn Grand-sire Triples on handbells. (Perhaps Mr. Harold Marcon, now at Loughborough, will remember.) One of our ringers liked to ring the tenor so that he only had one working bell to think about, but very often forgot to put in the covering bell.

A visiting aunt (a teacher) was looking on and asked if she could ring this bell, and with a bit of practice did it quite well. Next time she came to visit she was asked if she would ring the tenor again; she replied "No, I would rather ring the bass, then I can come last every time."—Yours faithfully,

C. V. CADE.

Sothorn, Lincoln.

CENTRAL COUNCIL RINGING ARRANGEMENTS

Dear Sir,—I have had sufficient response for a coach tour to be arranged on Whit Monday for Council members and friends. This tour will therefore follow the Southern Route as given in "The Ringing World," and a lunch has been arranged. The cost of the coach will be approximately 15s. (less if well supported) and lunch will be 11s.

The Southern Tour will not now be available to "own transport" users and these are asked to take the other two routes. Any who wish to join the coach party should get in touch with me if they have not already done so.—Yours sincerely,

JOHN H. GILBERT.

COMPOSITION OF 1966 STEDMAN TRIPLES

Dear Sir.—In reply to Mr. Miles' letter in "The Ringing World" in which he questions the homing course of my "date touch" of 1966 Stedman Triples, I would like to set out the six-ends of this course to clear up any doubts there might be. The calling positions are the standard ones used in the Ringers' Diary.

4165237		2176354	
1543672		1625743	
1537426		£ 1657234	14S
— 5714326	3	— 6713542	4
— 5743126	4	— 6735142	5
— 7351426	5	— 7561342	6
7312564		— 7513642	6
3276145		— 5347126	8
— 3261745	8	— 5341726	8
— 2137645	9	— 3152467	
£ 2176354	12S	— 3124567	10

Rounds occur at the second change of the last six. Whilst on the subject of date touches it might be worthwhile mentioning that a date touch of Stedman Triples is impossible for next year, 1967, unless a non-standard start is made to the changes. If a standard start is used, then rounds will have to appear as the third change of a quick six. The two previous rows will then be 2135476 and 2314567, which are, of course, the two rows rung at the start of a standard course in the method.

Perhaps an expert in the field of composition in this method would like to prepare a touch using a non-standard start, for example in the middle of a "slow" six. The possibilities are endless.—Yours sincerely,

MARTYN MARRIOTT.

Edinburgh.

IN MEMORY OF MR. G. J. CÆSAR

Dear Sir,—In reply to Mr. John C. Eisel's letter, it seems to me that the footnote to the peal rung at Chigwell on March 12th is a perfectly legitimate one. Notwithstanding the fact that it was rung three days too early, it seems to me that the gentleman in question is quite worthy of our remembrance and that, contrary to your correspondent's statement, he did nothing but good for the inhabitants of this island.—Yours faithfully,

B. R. DOUGLAS.

Southwell Guild's Good Year for Restorations

THERE was a very good attendance at the 20th annual general meeting of the Southwell Diocesan Guild held at Southwell on April 30th. During the afternoon the president, the Bishop of Southwell (the Rt. Rev. G. D. Savage) was in the Minster and spent some time chatting to members. He also attended Evensong conducted by the Provost (the Very Rev. H. C. L. Heywood) but was unable to attend the business meeting owing to a previous commitment.

The business meeting, which followed an enjoyable tea prepared and served by members and friends of the Newark District in the Trebeck Hall, was presided over by the Guild chairman, Mr. F. W. Midwinter. He opened the meeting by extending a warm welcome to all members and visitors present, including the president of the Leicester Diocesan Guild, Mr. B. S. Payne, and Mr. and Mrs. John Segar, now resident at Skegness.

A minute's silence was observed for six members who had passed away since the last annual meeting, namely Mr. E. D. Priestley (North Collingham), Mr. M. Ward (St. Peter's, Nottingham), Mr. E. C. Thrall (Newark), Mr. A. T. Whitworth (Ruddington), the Rev. D. A. G. Brinn (Kirkby-in-Ashfield) and Mr. R. Lucas (Warsop).

The annual report having been in circulation for some time, it was resolved to take all the reports as read.

PEALS TOTAL 111

The Peal Committee reported that 111 peals had been rung during the year, a decrease of 10. Nineteen members rang their first peal, and five conducted their first peals. It is interesting to note that only nine of the 20 who rang their first peals in 1964 have rung peals for the Guild in 1965, and only four of the nine who conducted their first peals in 1964 also conducted peals in 1965. There were 29 different conductors and 136 ringers, 108 of whom are resident members. The leading conductor was Mr. G. A. Dawson (29), followed by Mr. W. L. Exton (20).

Three half peals were rung during 1965, and quarter peals number 134, Kirkby-in-Ashfield leading with 37, from Holme Pierrepont (20) and Gedling (14).

RESTORATIONS

The hon. general secretary (Mr. W. L. Exton) in his report gave details of bell restoration undertaken during the past year. St. Peter's, Nottingham, have been completely rehung in a new frame and augmented to 12: Willoughby-in-the-Wolds' have been augmented to six, a new treble having been given by Mrs. Millard in memory of her late husband, Canon Millard, who was Vicar for over 30 years and was responsible for the rehanging of the bells in a new frame in 1939: Coddington bells have been rehung in a new frame and augmented to six, the new treble being donated by the Barron Bell Trust.

Mr. W. L. Exton also reported that the efforts of the Guild Committee to increase the income, and subsequently the donations made from the Bell Repair Fund, had borne fruit. Donations from the Parochial Church Councils and private means amounted to £96

6s., the ringers themselves had raised £75 2s. 7d., making a total of £167 6s. 1d. when all the expenses had been met. From this a donation of £50 had been made towards the restoration and augmentation at Coddington.

The retiring officers were thanked for their services to the Guild during the past year and re-elected to serve again for 1966.

One new vice-president, the Rev. C. J. Young (Kirkby-in-Ashfield) and three new ringing members H. Mabbott and D. Neale (Newark) and P. Elkington (Balderton)—were unanimously elected. The Rev. D. Leaning (Warsop) was appointed chaplain to the Mansfield District.

A proposal to amend the Guild Rules, to give the hon. general secretary 14 days' notice prior to the annual committee meeting instead of one month's notice prior to the annual general meeting of all nominations and amendments to rules, was proposed by J. C. Clarke and seconded by Mrs. C. W. Reed. This was carried, there being one vote against.

CENTRAL COUNCIL GOING TO NOTTINGHAM

The hon. general secretary reported that the Central Council had accepted the Guild's invitation and would be holding their annual meeting at Nottingham in 1967. In consequence of this the annual general meeting of the Guild in 1967 would be held in the Bingham District.

Advance notice was given of a proposed ringing festival and dinner/social, this to be held at Derby on September 16th, 1967, and to be organised and run by the Guilds and Associations which originally comprised the old Midland Counties Association.

Under the heading "Any Other Business," Mr. H. T. Rooke said that a peal had been rung at Warsop the previous Wednesday as an 87th birthday compliment to Mr. R. T. Flint. The hon. general secretary was instructed to write and send the Guild's congratulations and best wishes to Mr. Flint.

Mr. John Mayne Retires from Office

MR. JOHN R. MAYNE, the Ringing Master of the Middlesex County Association and London Diocesan Guild, announced at the annual meeting at Uxbridge on April 30th that he was not prepared to stand for office as Ringing Master or as a representative of the Guild on the Central Council. He was also resigning his membership of the Records and Methods Committees of the Central Council.

The announcement had been previously conveyed to the Standing Committee and was received with regret by the company present. Also retiring from the Central Council was Mr. F. W. Goodfellow. They were both thanked by Mr. T. J. Lock, who described their work as most helpful.

Earlier, Mr. Mayne presented his report as Ringing Master and said 1965 had been what one might term a steady year. "We need not congratulate ourselves too much but if we maintain our standard we shall be doing something." A most happy innovation in the South and West District was the introduction of a series of practice meetings in evenings, which had been most successful.

There were two nominations for Ringing Master in succession to Mr. Mayne—Mr. W. S. Deason and Mr. T. J. Lock. Election speeches were permitted by the chairman, Mr. D. Fowles, in the absence of the president, the Rev. G. C. Taylor. A ballot resulted in the election of Mr. Deason. The re-election of the other officers was automatic. Mr. F. W. Goodfellow continues as treasurer. Mr. J. J. Lock as hon. secretary. Miss Ruth M. Foreman assistant secretary. Mr. Maurice Hodgson hon. auditor. Mr. C. A. Parsons librarian. Messrs. A. Cutler, F. W. Goodfellow and T. J. Lock trustees. Central Council representatives elected were Messrs. F. T. Blagrove, J. Lock, G. W. Critchley and Miss R. M. Foreman. Mr. Critchley formerly represented the Herts County Association on the Central Council, but owing to the rearrangement of boundaries he now lives in

the area of the Middlesex Association. He thanked the meeting for permitting him to continue his membership of the Central Council.

LOSSES BY DEATH

Proceedings started with remembrance of losses by death. These were F. A. Barker (Finchley), W. T. Beeson (Cranleigh), P. Cook (Bolton), G. H. Cross (Chardstock), Mrs. G. W. Fletcher (Caistor-on-Sea), G. D. Ingham (Sunbury), H. Ive (Ruislip), F. C. W. Knight (Ramsgate), Rev. S. G. W. Knight (Edmonton), R. Sanders (Streatham), W. H. Southeard (Truro), A. J. Thurley (Chiswick), F. A. Vincent (Harrow Weald), J. W. Ward (Melbourn) and J. Wheadon (Wilmslow).

The accounts, presented by Mr. F. W. Goodfellow, showed an excess of payments over receipts of £32 2s. 1d. The Bell Restoration Fund had a balance of £90 16s. 11d. From this fund grants of £25 were passed for Cranford, Pimlico and Upper Clapton. Higher subscriptions came into force this year and should improve the financial position.

The hon. secretary's report stated that 17 District meetings and six joint meetings had been held. Sixty-three new members were elected, 101 quarter peals rung in 34 towers and 54 peals. The peal of Spiced Surprise Major in 23 methods rung at Headstone Lane contained the greatest number of Surprise Major methods rung on handbells, John R. Mayne being the conductor.

The 500th peal at St. Mary's, Willesden, was recorded in December and this number was only exceeded by the towers at Crayford, Erith and Loughborough Bell Foundry. Congratulations were extended to Mr. and Mrs. D. Gray (Upper Clapton) and Mr. and Mrs. W. Woodgver (Cranford) upon their golden wedding anniversaries, and Mr. A. Cutler was thanked for his 26 years' faithful and devoted service as Ringing Master of the North and East District.

**WINCHESTER & PORTSMOUTH
DIOCESAN GUILD**

Basingstoke District

When the Rev P. W. R. Kennedy, Vicar of Heckfield, was a curate at St. Mary's, Southampton, he learned to ring. Being now incumbent of a church with bells he has, with an enthusiastic captain, assembled a band of ringers. Hence it was decided that the Basingstoke District would hold their spring meeting there.

After the afternoon ringing the Guild Office was taken by the Vicar, who in his address drew an analogy between a Christian returning to the Faith and a ringer returning to the Exercise.

A traditional sumptuous tea enabled the ringers to live up to their county nickname! The business meeting was conducted by the District chairman (Canon F. A. Sanders). Four new members (Peter and Timothy Mart and Richard J. Wilson of Basingstoke, and Miss Hamblin of Yateley) were elected, and discussion of the proposed District boundary revision was aided by the attendance of a member of the Boundary Commission.

A presentation was made to Mr. J. Chesterman, who recently retired after 21 years as District secretary, having, as the chairman observed, followed in the footsteps of, inter alia, the distinguished ringer the Rev. C. D. P. Davies.

GUILD of DEVONSHIRE RINGERS

South West Branch

An afternoon of good ringing and warm fellowship was provided when the South West Branch held a meeting at the rugged moorland church at Whitchurch. The six bells have been recently rehung and are manned by a band of young and enthusiastic ringers. The Branch officers—Messrs. T. G. Myers (chairman), D. R. Bould (Ringing Master) and R. A. Southwood (secretary)—rang a touch of Grandsire Doubles on handbells during the service conducted by the Vicar. A "high tea," provided by the ladies of Whitchurch, followed.

Preb. J. H. B. Andrews, president of the Guild, presented Guild certificates to the Misses Lynn Murkin and Linda Le Tissier and Robert Stead (Emmanuel, Plymouth), Mrs. R. J. Southwood (Plympton St. Mary) and G. Myers (St. Andrew's, Plymouth). Professor R. J. Brocklehurst (Newton Ferrers) and B. Knight and S. G. Pearce (Stoke Damerel) were elected to membership. Evening ringing was at Whitchurch and Tavistock.

Autumn meeting: Modbury, October 1st.

OBITUARY

MR. FERNLEY G. PEARSON

The death has occurred under tragic circumstances of Mr. Fernley G. Pearson, aged 29.

On Easter Saturday, when returning from a motor cycle scramble, the motor cycle combination he was driving was in collision with a car at Gara Bridge, between Plymouth and Dartmouth, and he was fatally injured.

Fernley learned to ring at St. Saviour's, Dartmouth. Last year he married Miss Christine Dodridge a member of the newly-formed Devon Branch of the Ladies' Guild, and went to live at Ebford, near Exeter. Both he and his wife became regular members of the Clyst St. George band. Fernley was a very keen ringer and with his wife regularly attended branch and practice meetings, where he will be greatly missed. A. E. R.

MR. JACK PETCH

With deep regret we record the death of Mr. Jack Petch, of Boston, Lincs. After 15 months of a very painful illness he passed away at his home on April 7th at the age of 51.

Jack first learned to ring at Wisbech and came to work in Boston at the age of 23. Joining the Boston ringers, he soon found himself a great asset to the tower. A good back-ender and a good striker, his place will be hard to fill.

A large number of ringers and friends attended the funeral service in Boston Stump. He was liked by all who knew him. The deepest sympathy is extended to his widow and son. W. E. C.

MR. HARRY M. WHITE

St. Michael's, Bishop's Stortford, Herts, has lost its oldest ringer by the death on April 26th of Mr Harry M. White. He was 79 and had been a ringer for over 60 years. He was also associated with the choir for many years, which he joined at the age of 12.

Harry learned to ring as a pupil of the late Henry James Tucker and rang a few peals. He always enjoyed an occasional quarter. A devoted servant of the belfry, he had been a former secretary and took a pleasure in arranging the annual outings. Many of the peal boards in the belfry were his handiwork and were made at his own expense. Well liked by everyone, he could always be relied upon to give a helping hand.

For the funeral service at St. Michael's Church on May 4th the bells were rung fully muffled. The committal service was at Enfield Crematorium. As a fitting tribute to his memory the bells were rung half-muffled to 1.260 Grandsire Triples, those taking part being: K. Westwood 1, R. Hayden 2, H. Watts 3, F. Bird 4, P. Warboys 5, A. Richardson 6, D. H. Kingston (cond.) 7, D. Hutley 8. Well done, thou good and faithful servant. F. B.

SUFFOLK GUILD

The Central District quarterly meeting at Stradbroke on April 23rd was attended by District members and visitors from a wide area. Ringing in the afternoon was followed by a short service of welcome conducted by the Rev H. K. Florance. Tea was taken at the local café, followed by the business meeting. Ringing continued throughout the evening.

Next quarterly meeting at Barking has been postponed for one week to July 30th.

BELFRY GOSSIP

Congratulations to the six who rang their first quarter peal at Holme Lacy, Herefordshire, on April 27th.

Mrs. Angela Newing and John Norris arranged a successful week's tour, despite the rain, in Derbyshire, starting on April 16th. Headquarters were at Matlock.

A performance without parallel in the art of handbell ringing was the peal of 5,120 Spliced Surprise Major in 25 methods rung by the Bushey band on May 2nd and 3rd. We understand that this was the zenith this intrepid band set themselves. They deserve warm congratulations on their achievement.

Nottingham University had a most successful day exploring the towers of Rutland on March 19th. "Bob" of Uppingham was the organiser, and after ringing there the Rev. and Mrs. Woodward provided the 13 thirsty ringers with quantities of tea and biscuits.

The Ancient Society of College Youths' "Out of Town" meeting at Gloucester was most successful, some 70 members attending the business meeting. These came from Yorkshire, Lancashire, Birmingham, Bristol, Kent, Bedford, South Wales and over 30 from London.

Mr. A. P. Cannon is the new Master of the Surrey Association in succession to Mr. F. E. Collins. At the annual general meeting on May 7th it was decided to invite the Central Council to Croydon for its 1968 meeting and to hold its next annual meeting at Guildford Cathedral, the headquarters of the Guildford Diocesan Guild.

RANG FOR PARENTS 70th WEDDING ANNIVERSARY

The peal rung at Rogate, Sussex, on May 4th, was specially arranged to mark what must be a very rare occurrence. Mr. and Mrs. E. Munday, of Rogate, were celebrating their 70th wedding anniversary and their only surviving son, Mr. Jack Munday, was one of the participants in the peal, this being the tower in which he learned to handle a bell. Mr. E. Munday was a churchwarden of St. Bartholomew's, Rogate, for 20 years and was succeeded in that position by one of his sons and, currently, by a grandson.

The members of the band were most hospitably entertained to supper by Mr. and Mrs. Munday after the peal, and were interested to see the very many messages of congratulation which had been received including those from H.M. the Queen, the Lord Chancellor and numerous dignitaries of the Church.

BELLS FOR SALE

According to the "Manchester Evening News" the three bells at St. Mary's Church, Haughton Green, Denton, are for sale. They weigh four, five and six cwt. The Rector, the Rev. David Smethurst, states: "We plan to sell them for the highest price we can get. As scrap they are worth about £150." Our Rhodesian friends might be interested.

ROCHESTER STRIKING CONTEST

St. George's, Gravesend, with 14 faults, won the striking contest of the Rochester District held at Shorne on April 23rd. Closely behind them were Halling (15 faults) and Eastchurch (24). Other competitors were Frindsbury, Tunstall, Northfleet, Newington and Rainham. Mr. H. E. Audsley, of Crayford, and Mr. M. L. Howe, of Maidstone, were the judges and the winners received a cup donated by Mr. Edward Beer.

SOUTHWELL HAD 63 FOUNDER MEMBERS

To mark the 20th anniversary of the foundation of the Southwell Diocesan Guild a ringing festival and dinner will be held at Newark on June 11th. The Guild was founded in 1946 with the splitting into three of the Midland Counties Association. At the end of the first year Southwell Guild had a membership of 231, representing 37 towers in three Districts. Membership has now reached 484 with 63 who can claim founder membership. Two additional Districts have been formed and there are 66 towers.

DEVON RINGERS IN TAUNTON AREA

Mr. Aubrey Bennett organised a successful day's tour for members of the Guild of Devonshire Ringers in the Taunton area on May 7th. The help of Mrs. E. S. Powell and Mr. A. H. Reed, who were with the party, in arranging the tour was much appreciated.

Towers visited were Sampford Arundel; Bradford-on-Tone, where a well-struck six-score of Stedman Doubles was tape-recorded; Bishops Hull; Norton Fitzwarren; Staple-grove; West Monkton; Ruishon; Holy Trinity, Taunton, where the bells were found to be a novelty; and Ashbrittle.

The lunch interval was spent at the Cross Keys Hotel, Norton Fitzwarren. The ringing was in Doubles and Minor methods.

BARKING BELLS

From Barking, Suffolk, we have received encouraging news. Regular practices started again last October and there are four married couples who ring regularly for services. Dr. S. Harrison writes thanking Suffolk Guild friends for their help, as without them the band would not have been able to progress as it had.

The following poem, written by a villager after the augmentation to six by Alfred Bowell, might interest ringers who have visited the tower.

One evening when I rambled
Across Mount Lay for choice,
I stopped and listened to the bells.
"My dears, you have a different voice
Since to the founders you have been."
Their melody was grand and gave a charm
As it echoed around the Ladies' Walk
Then on to Bungeon's Farm.

You are the voice of the past, I cried,
For their tone was strong and good.

And then I rambled on again
Until I in God's acre stood.
Then from the tower the bells rang out
No uncertain sound they gave.
And then I wished the dead could hear
As stood I near a grave.

Ring out ye bells of Barking,
Over meadow, field and tree,
For when you ring you still will bring
Old memories back to me.
Just one more thing I wish to add
And think you will agree,
That Barking without bells and rooks
Can never, never Barking be.

CAMBRIDGE UNIVERSITY GUILD

At the annual general meeting held on April 27th in Clare College the following officers were elected for the ensuing year: President, W. J. Ridgman (Queens); treasurer, B. D. Threlfall (Trinity); Master, S. P. Darvill (Downing); secretary, E. N. Thomas (St. John's); librarian, R. H. Youdale (Emmanuel).

25 YEARS LATER

Behind the quarter peal rung as a silver wedding compliment to Mr. and Mrs. K. Martin, at Hemingford Abbots, there is the story of a war-time disappointment. The bride was then, owing to Government restrictions, denied wedding bells, although she was an ardent church worker. Her father, grandfather and brother-in-law were then members of the local band.

HIS FIRST OF YORKSHIRE

The peal of Yorkshire rung at Rayleigh on May 7th enabled Frank May to realise a long ambition, for although having rung several quarters in the method he had never been successful in his attempts for a peal. On this occasion the peal very nearly never started, as owing to a computer breaking down one member of the band was unable to leave work in time to reach the tower for the scheduled start. However, Jim Laker is to be thanked for coming to the rescue at 15 minutes' notice and very ably ringing the treble, thus enabling Frank to score his peal of Yorkshire.

FAREWELL AT MAIDSTONE

On Thursday, May 5th, the All Saints' ringers said a sad farewell to their captain, Leonard Mannerling, on his retirement to Folkestone. He was presented with a clock, suitably engraved, for his past services to the tower, and Mrs Mannerling was given a box of chocolates. Len has been the captain for the past 15 years and will be difficult to replace. He joined the band in 1917, when at this time his father was the captain. The new captain, who was elected at the meeting, is Thomas Cullingworth.

READING UNIVERSITY SOCIETY

The following officers have been elected by Reading University Society for the session 1966-67; Master, Ronald E. Stillwell; secretary, Maurice G. Ingram; treasurer, Graham J. N. Colborne; lay members, Mary E. Marshall and Margaret A. Wilson. All correspondence should be addressed to: The Society of Change Ringers, The University, Reading, Berks.

The annual general meeting on May 4th was quite well attended. A full day's outing into Sussex at the end of the present term and a dinner on December 3rd are planned. Other Universities are requested to bear this latter date in mind. M. A. W.

TWERTON RINGERS WERE WELCOMED

In their day's tour in West Somerset on April 23rd Twerton-on-Avon ringers were welcomed by local ringers in eight of the nine towers visited which, our correspondent considers, added to the enjoyment of the day.

Bishop's Lydeard bells were better than anticipated although "the tower rolls." Combe Florey bells (6) were described as a lovely ring in a lovely church with an equally lovely setting. West Bagborough bells were quite tough to ring, and Crowcombe bells (6, anti-clockwise) are a majestic ring needing careful striking. Long draughts were experienced at Over Stowey and Nether Stowey, and the Rev. E. F. W. Awre and his daughter, Rosemary, joined in the ringing at the latter tower. There were two fine rings at Holford and Watchet, and the tour ended on the pretty five at Sampford Brett.
